
RULES OF ACCESS TO THE TRADE SHOW

Hostelco is an international fair with professional profile (B2B) whose objective is to promote the industry of equipment, machinery, and services for the hospitality, restaurant, and catering sectors among professionals and across the entire value chain.

To ensure an optimal professional relationship between those attending **Hostelco**, the attendees must be able to prove that they currently perform roles for commercial entities which buy, distribute, sell or offer services to this industry.

For this reason, **Hostelco** will put in place an attendee screening process (both for registered professionals and guests); through this, the trade fair's organisers will be able to request the accreditation of the attendees' commercial activity. The purpose is to ensure that all attendees work and support this professional environment and comply with that set forth in these rules of access.

Registration badge for **Alimentaria+Hostelco** implies the automatic acceptance of these rules of access and the cancellations and refunds policy of Fira de Barcelona:

- **Access to the Alimentaria+Hostelco trade fair is exclusively for professionals** from the agri-food, beverage and catering equipment industry in foodservice sector, which includes the production, distribution and marketing of all types of products in these sectors.
- **Online pre-registration.** Entrance badge will only be available through the online registration system at the event official website. The system does not accept changes or refunds under any circumstances.

Access to the show will be gained by reading the printed badge as well as the digital ticket through the show's official app. The App will be available in February 2026 and it is essential to log in with the credentials (email and password) used at the time of online registration to obtain the ticket. In the case of not remembering the password, the system has the option to use a one-time code via email.

- **Restrictions for minors under 18 years of age.** Entry is not allowed for visitors under 18 years of age, whether individually or accompanied.
- **Exception for workers under 18 years of age.** Minors under 18 years of age who prove their employment status with an exhibiting company may access the fair to carry out their professional activity. However, the sale and consumption of alcohol to minors under 18 years of age is strictly prohibited, regardless of their worker status.
- **Entry for women with breastfeeding infants.** Exceptionally and only during the event period, the Organization will allow entry for women with breastfeeding infants up to one (1) year of age, in order to facilitate the work-life balance for professional women in the sector.
- **Accreditation/ticket is personal and non-transferable** for all attendees. It will be **mandatory** to have the badge/entrance always available. In the event it is lost, the professional visitor/exhibitor must go to the registration front desk (with the corresponding

identification) to have their visitor badge reprinted/resend. This visitor badge may also be reprinted on the Trade Show's official website, in the "Registered Users" section.

- **Access control system.** Hostelco has an access control system with **Anti-Passback technology**, which prevents an accreditation from being used more than once to access the fairgrounds without having previously exited. Any attempt of fraud will result in the withdrawal of the accreditation by the Organization.
- **Verification of attendees' professional activity:**
 - **Official identification.** For security reasons and always, attendees must carry their official identification document with a photo (National ID Card or Passport), as well as the corresponding badge for the trade show.

At any time, the Organization may carry out identity checks and will be able to request both visitors and exhibitors to show their required official identification. These checks may be carried out, among other cases, at the time of collecting the official badge, at the access controls to the fairground and even inside the venue both during the assembly and dismantling phase and during the trade show days. If having made the relevant checks the identity of the holder of the official badge does not match his or her identity document, the Organisation reserves the right to withdraw the badge, and the said person must therefore leave the trade show venue immediately.

- **Professional activity.** The Organisation may at any time request documentation to be provided which demonstrates that professional visitors to the trade fair carry on their professional activity for the equipment, agri-food sector, beverages, and Foodservice sector. For this purpose, professional visitors may prove their commercial/professional activity, using the following items, such as, but not limited to:
