

RULES OF ACCESS TO THE TRADE SHOW

Barcelona Wine Week is an international fair with professional profile (B2B) whose objective is to promote the Spanish Wine industry among professionals in the sector and its value chain.

To ensure an optimal professional relationship between those attending the **Barcelona Wine Week** trade fair, the attendees must be able to prove that they currently perform roles for commercial entities which buy, distribute, sell or offer services to this industry.

For this reason, **Barcelona Wine Week** will put in place an attendee screening process (both for registered professionals and guests); through this, the trade fair's organisers will be able to request the accreditation of the attendees' commercial activity. The purpose of this is to ensure that all attendees work and support this professional environment and comply with that set forth in these rules of access.

Registration badge for **Barcelona Wine Week** implies the automatic acceptance of these rules of access and the cancellations and refunds policy of Fira de Barcelona:

- **Access to the Barcelona Wine Week fair is exclusive to professionals** from the wine sector, both from the production and commercialization branches of all types of wine products and related services, as well as the HoReCa sector, during the event days and within the established hours.
- **Online accreditation.** Tickets can only be obtained through the online accreditation system via the official event website. The system does not allow changes or refunds under any circumstances.
- **Restrictions for minors under 18 years of age.** Entry is not allowed for visitors under 18 years of age, whether individually or accompanied.
- **Exception for workers under 18 years of age.** Minors under 18 years of age who prove their employment status with an exhibiting company may access the fair to carry out their professional activity. However, the sale and consumption of alcohol to minors under 18 years of age is strictly prohibited, regardless of their worker status.
- **Entry for women with breastfeeding infants.** Exceptionally and only during the event period, the Organization will allow entry for women with breastfeeding infants up to one (1) year of age, in order to facilitate the work-life balance for professional women in the sector.
- **Accreditation/ticket is personal and non-transferable** for all attendees. It is mandatory to have the accreditation/ticket available at all times. In case of loss, the professional visitor/exhibitor must go to the registration desks (with the corresponding identification) for reprinting/resending of the accreditation. This accreditation can also be reprinted through the official event website in the "Registered Users" section.

- **Access control system.** **Barcelona Wine Week** has an access control system with Anti Passback technology, which prevents an accreditation from being used more than once to access the fairgrounds without having previously exited. Any attempt of fraud will result in the withdrawal of the accreditation by the Organization.
- **Verification of attendees' professional activity:**
 - **Official identification.** For security reasons and always, attendees must carry their official identification document with a photo (National ID Card or Passport), as well as the corresponding badge for the trade show.

At any time, the Organization may carry out identity checks and request the required official identification from both visitors and exhibitors. These checks may be carried out, among other situations, when collecting the official accreditation/ticket, at the access controls to the fairgrounds, and even inside the fairgrounds during both the setup and dismantling phases, as well as during the event itself. In the event that, after the necessary checks, the identity of the holder of the official accreditation/ticket does not match their identification document, the Organization reserves the right to withdraw the accreditation/ticket, and the individual must immediately leave the fairgrounds.

- **Professional activity.** The Organization may request visitors of the trade show at any time to provide proof that links them professionally to the wine sector and/or the HoReCa sector or hospitality sector. By way of example, but not limited to, the following documents will be valid:
 - Business cards.
 - The company's Tax Identification Number (NIF) or their intra-community VAT number.
 - The Tax on Economic Activities, document proving the formation of the company, and/or any other document demonstrating the activity within the sector.

Miscellaneous
